

# FAWN MAGIC

## Build The Skeleton Big Bucks Must Have

*“I have seen an unbelievable difference in my yearlings since using Lyssy & Eckel Fawn Magic. We have seen a significant improvement in their body size, bone development and health, not to mention the antler size on our young bucks. I have used Lyssy & Eckel Feeds for the last 6 years and believe in all of their feeds but their Fawn Magic has made me their biggest fan.”*
